

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

DATE: April 12, 1985

SUBJECT: National Priority List Candidate Sites for Update #4

NPL-UY-7-6-1

FROM: Samuel L. Nott, Chief  
Superfund Branch (6AW-S)

TO: Harold Snyder, Chief  
Discovery and Investigation Branch (WH-548E)

Attached are two copies each of the Hazard Ranking System package and narrative summaries for the following sites.

1. Dutchtown Treatment, La.
2. Arkwood, Inc., Ark.

These sites are being submitted by Region 6 for Quality Assurance as candidate sites for the fourth update to the National Priorities List. If you have any questions please contact Martha McKee or Tim Perdue of my staff at (214) 767-9700.
